PROFILE

Creative Graphic Designer and Video Editor passionate about creating eye-catching visuals and engaging video content. Focused on creative storytelling, design quality, and attention to detail. Eager to contribute fresh ideas and deliver impactful digital content while growing professionally.

EXPERIENCE

2024 – Present

Freelance Graphic Designer & Video Editor

Independent Freelance Projects

- Completed 4 freelance projects involving graphic design, video editing, and digital content creation.
- Designed creative posters, logos, promotional graphics, and social media creatives based on project requirements.
- Edited engaging Instagram Reels and short-form videos with attention to pacing, transitions, and visual storytelling.
- Managed project requirements, incorporated client feedback, and delivered creative work according to agreed deadlines.

2023 – 2025

WEB DEV CENTER

WordPress Assistant

- Delivered 4 complete WordPress websites for US-based clients using Elementor, ensuring fully responsive and high-converting digital solutions.
- Customized advanced Elementor sections, widgets, headers, and footers to strictly align with rigid corporate brand guidelines.
- Implemented on-page SEO best practices, configuring heading hierarchies, meta tags, image alt text, and strategic internal linking structures.
- Collaborated across cross-functional teams of designers and developers to maintain strict UI/UX consistency through rigorous revision cycles.
